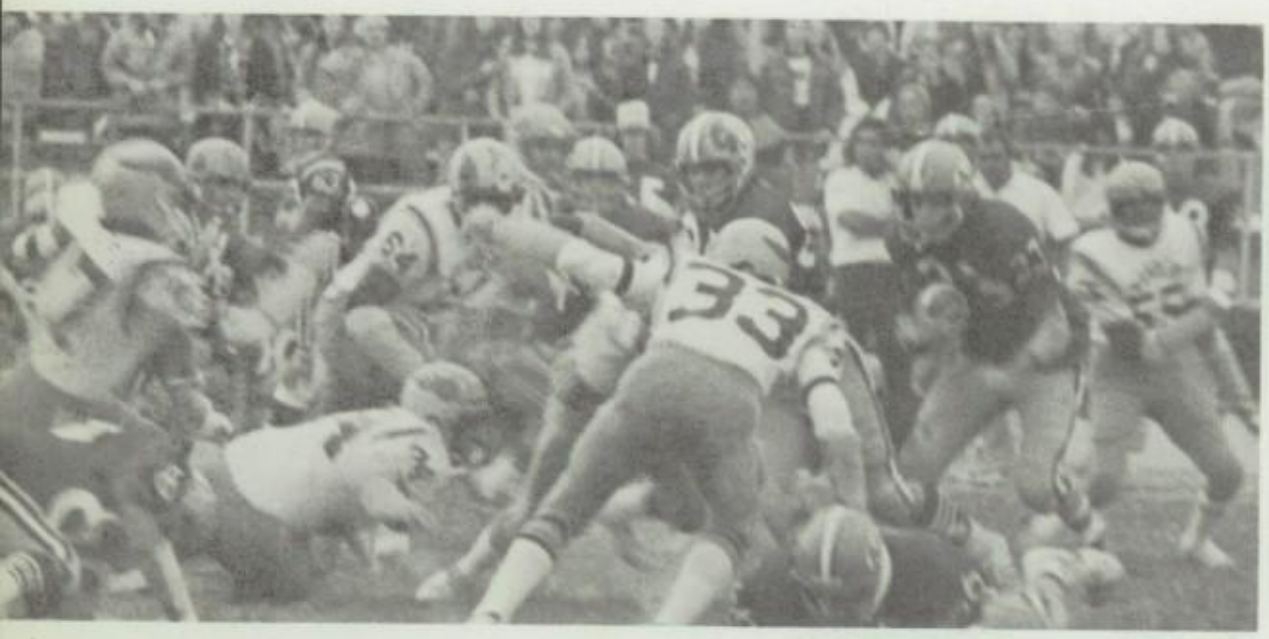
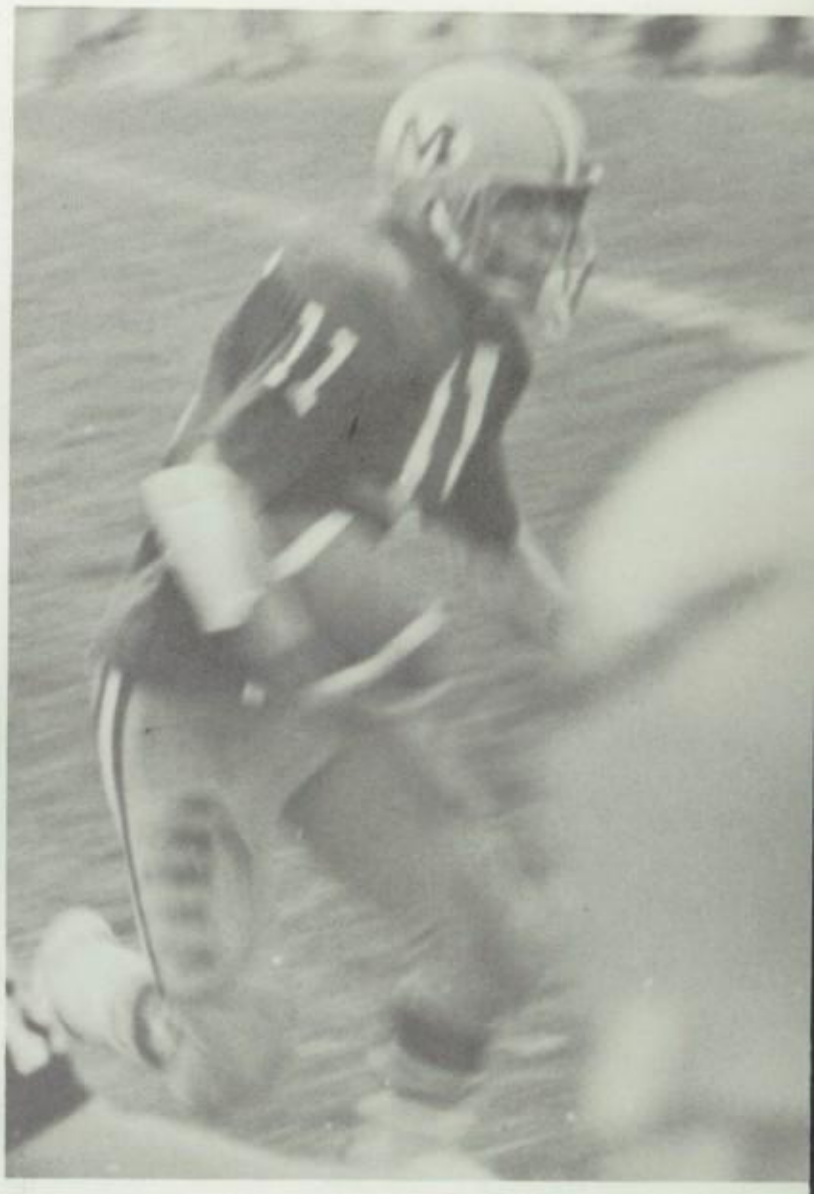
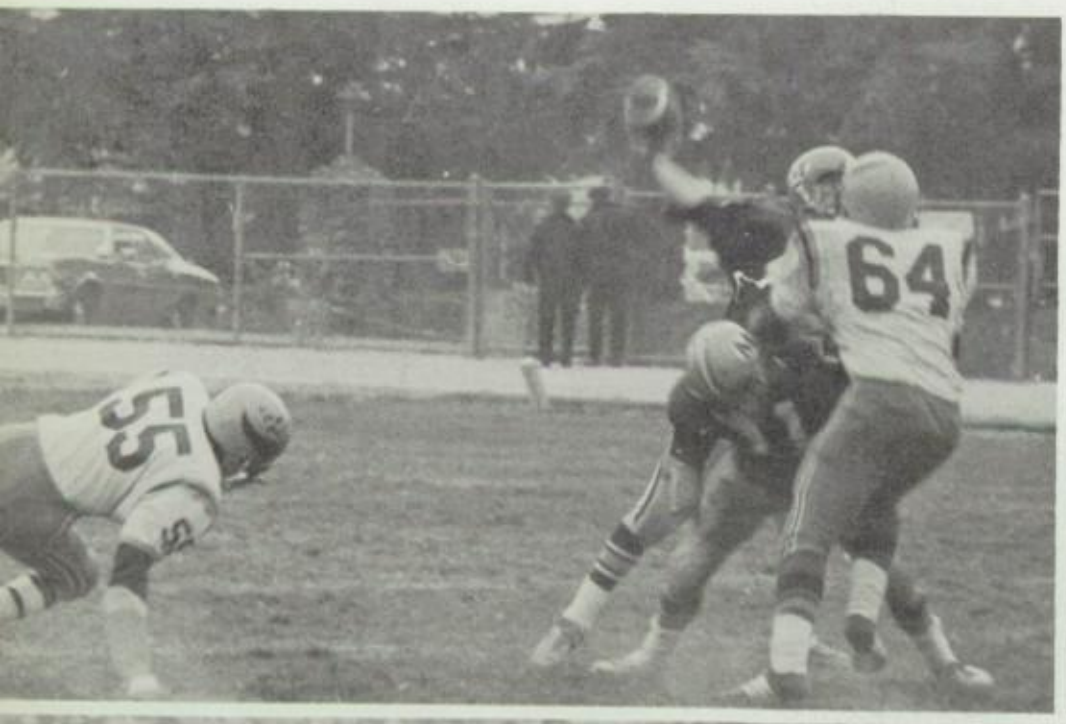
The 1975 Football season can be summed up in just one word- Dy-no-mite! JV has a season record of 9-0 and a league record of 7-0 going undefeated, as not even Washington, a consistant jinx over the years, could stop them. Larry Hogue (10th) and Alton Sanders (9th) lead the team, breaking several previous school records.

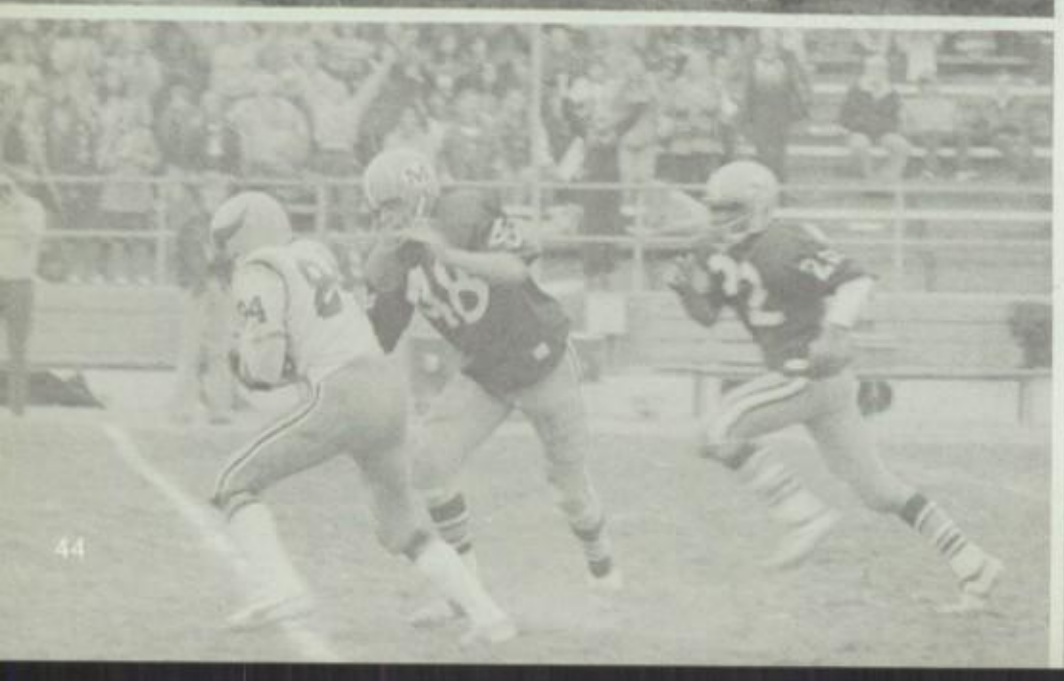
Varsity's record was 10-1 overall, 6-2 in league for the SCAL title, embarrassing Brett Harte 24-0 in Section Play-offs and killing Mariposa in no contest 36-0 for the Class A (small schools) title. The Vikings were rated 7th overall in California, and enough cannot be said about our fantastic Viking team! The high scoring game for JV is 84-0 against John Swett.

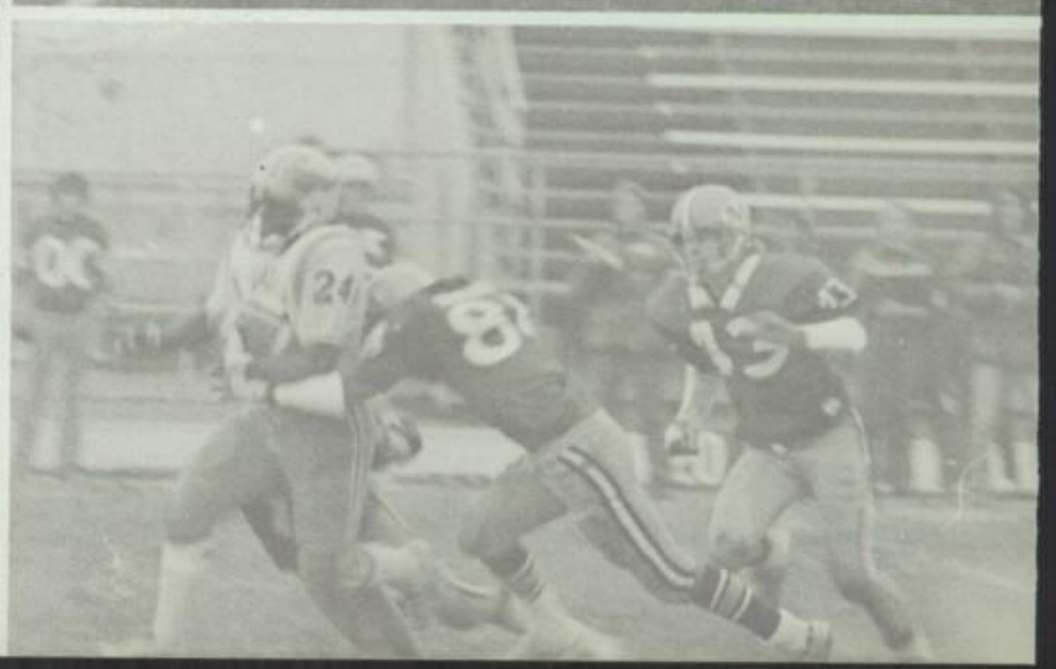




SCAL GAME: WE'RE NO. 1!







CLUBS

Vanden has a special activity schedule on Fridays and Tuesdays, which allows time for students to enjoy clubs which may have formed. Some clubs such as ski and backpacking, plan trips. The language clubs such as, Spanish, German, and French, have their values for students who are interested in the languages that they are studying. They show how people from various countries, are brought up, the way they live, and their language that they speak. The Ethnic club brings unison between all nationalities around the world. The Block V, gives the guys a chance to spend their own time together with atletics that are interested in various sports, and are equal among themselves.

MODERN DANCE

Modern Dance Club-Shelby Brown, Donna Sterling, Donna Cager, Lonnice Brittenum, Margaret Sterling, Joanne Morrison, and there are many more girls in this invigorating club.

BOOSTERS OF AMERICA

VANDEN

The 1975 Homecoming was a great success. To everyone involved in it: a large congratulation for an outstanding job. The events of the week were fun for most people and turned out to be the annual Slave Sale, Slave Day, an unusual Funeral for the John Swett Indians, Kiddie Day, Green and Gold Day, and Hick Day combined with the 50's. The slave sale this year was well over a hundred dollars and a huge success.

Both Varsity and Junior Varsity teams won their game which added to the enjoyment of the week. Both games helped lift spirits and boost our Vikes on to win the SCAL Championship.

The two wins, all campus activities, parade, and rally made Homecoming 1975 one of the best Vanden has had.

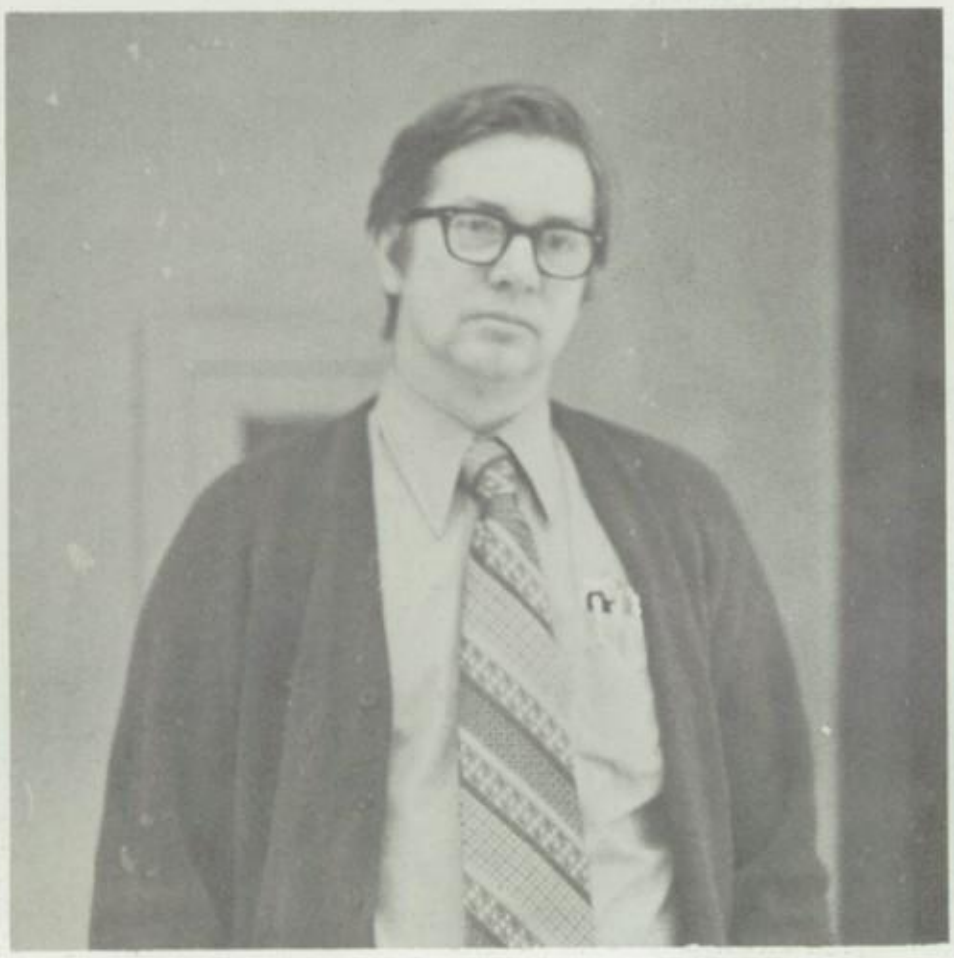
Vanden High School Modern Dance Club

The Vanden Modern Dance Club was started in September of 1975 by Shelby Brown, Joanne Morris, and Mrs. June Scott. This club was started in the interest of furthering the knowledge and entertainment of dance. It shows the members technique and fineness of dancing. This was the first year that the club has been in progress. The first show "Podabourer Our Way" was presented April 23 and 24th. The show had dancing upon the air that had extravagance of a dancing flair.

-by Shelby Brown.



Vanden High School's Radio Station, KVIK, set a record for the length of a broadcast on a single subject on December 19, 1975. Ed Daniels and Debbie Clark planned the program and did all the log work.

The title of the broadcast was called "Rock of the Ages: Rock n' Roll 1955 to 1975". The broadcast started at 4:40 P. M. and continued until Tuesday, December 23 at 9:00 P. M.

Even though they received only 12 hours of sleep they still had enough energy to go to a party afterwards.

KVIK's broadcast was 100 hours and 20 minutes long and will be entered in the 1976 Guiness Book of World Records. The advisor for the station is Mr. Meuer and the radio staff is consisted of Conal Brady, Bob Thompson, Debbie Clark, Janice Lally, David Garcia, Jay Gordon, and James Henry.

The snowflakes are coming
Run, run outside.

THE SNOW FELL DOWN...
AND WENT BOOM.

By
Lance Meltzer
(LANCE MELTZER)

Today it snowed.
I guess thats why its cold.
By,
Kenny Riggins

The Cold
Chews all feeling
from my hands
Bites at my nose
making it run like blood
Nibbles slowly at
my feet until theyie gone
It pokes me in the eyes
until they run with tears
and the tears freeze on my
cheeks.
My frozn tears
blow away ...
indistinguishable
from
The Snow.

The Vanden gymnastics show this year will hopefully be as successful as last year. It combines talent of both male and female students along with excellent coaching and helping advice from Mr. Hatcher, Mr. Serpas, and Mrs. Heoft. The students have put in a lot of time into practicing and working very hard to bring you a good show. You become involved with gymnastics by trying out for the show during activities lunch in the month of March or through the P. E. class of gymnastics.

Gymnastics involves a certain amount of coordination and talent along with alot of hard practice and work. Some of the things used in Gymnastics are dangerous but with the right guidance, they are safe to use and rewarding to those who learn to master them.

The Vanden Viking Band '76 is certainly a spectacle to see. These hard working members have been involved in such activities as the Chinese New Year's Day parade in San Francisco, the CMEA festival for concert band, and their annual Winter and Spring concerts. Within the band there exists a marching band, a concert band, a pep band, a jazz band and a dixieland band, with many people working on ensembles and solos. They have come a long way since the beginning of the year and they are, and have been "on the march for 1976."

SENIORS:

THIS IS YOUR LAST YEAR OF YOUR HIGH SCHOOL DAYS. THE MEMORIES, WE HOPE, WILL LAST FOREVER. THE DAY YOU WALK UP THERE, ALL BY YOURSELF, TO REACH OUT, SO ANXIOUS TO RECEIVE YOUR DIPLOMA, YOU WILL FEEL A WARM JOY IN YOUR HEART, REMEMBERING, SAYING TO YOURSELF OVER AND OVER, THIS IS THE END, BUT ONLY THE BEGINNING. REMEMBER, THOSE WERE THE YEARS THAT YOU COULD ALWAYS HAVE SOMEONE OR SOMEWHERE TO GO TO OR DEPEND ON. YOU'RE ON YOUR OWN NOW AND REACHING OUT FOR THE STRUGGLE OF A NEW LIFE. THIS IS IT SENIORS, SO MAKE SURE TO ALWAYS LOOK BACK AT THE MEMORIES BUT ENJOY THE PRESENT.

GOOD LUCK! FROM GRANT CITY
